[12] Mehreen Hasan of DAWN Images also rated 3/5 and said, "Balu Mahi is a rom-com with some dark, dramatic moments, but perhaps it's better described and digested as a fantasy film". [13] Burqa Shabbir of The News praised its cinematography and said, "While the narrative isn't extraordinary or truly original, Balu Mahi has a comedic undertone that keeps the viewer intrigued throughout". [14] Shahjehan Saleem of Something Haute gave it 3 out of 5 stars and said, "the film ends up confused between what it wants in a lot of places, where forced drama, equally confusing moments of conflict, and dance sequences come in". [15] Mehar Khurshheed of Newslines commented, "The movie has several moments of hilarity and the acting is more than adequate, worth watching for pure entertainment value". [16] Hamza Shafique of Dubai Desi Reviews gave film 1.5 out of 5 desi stars and commented, "Balu Mahi feels like a teen YouTuber's halfhearted attempt to create a parody of Jab We Met and Dil Bole Haddipa."
